- My name is Mark Kachler. I have chosen to improve the outdoor steps, walkway, and landscaping of the Chapel for my Eagle project. I plan to renovate the steps, replace all the sidewalks and plant new shrubs and plants in front of the Chapel. The Chapel walkway and steps are becoming unsafe and are often congested after Mass, making it a hazard. Completing this project would make it safer for those coming to and from Mass. Improving the appearance of the front of the Chapel will make visitors more welcome. For this project, I need to raise \$3,500 to pay for a portions of the costs needed to complete the project. All funds received will be used for the project. Any additional funds will be given to the Chapel. Your prayers and donations are greatly appreciated. Thank you in advance for your help.
- Please excuse our appearance over the next month, as the previously-mentioned Eagle project takes place on our Chapel's front grounds. In this regard, *please also take care to mind your footing, little ones, and overall safety!* Thank You!

The Collection for Sunday, June 25th, was \$4,540.08. May God reward your generosity!

The 2nd collection is for the support of Kolbe Immaculata School (checks should be made payable to "Kolbe Immaculata School), except for the 3rd Sunday of the month when it is for the Seminary of the Fraternity of St. Peter.(Make your checks payable to "The Priestly Fraternity of St. Peter").
